Cityscape Paint Away Day

(replaces Paint In the Park for 2014)

Nov 9 Cityscape Paint Away Day
9.30am–4.30pm

Dec 1-14 Exhibition opens, Glen Eira Town Hall Gallery Annexe

Fees Free to GEAS members, \$25 non-members.

Location Koornang Road, Carnegie between Neerim Road and the Railway line.

Features This is a very different situation from Paint In the Park at Caulfield Park. It provides a number of unique opportunities to capture the vibrancy and diversity of the cityscape. For example- Pretty windows as seen in Serenity, She Knows, Siam, the Japanese Bar next to Siam, Europa Cakes, Graffiti on building near railway crossing near Carnegie Station, Library Playground, Trees on verge near Carnegie Station (which may well disappear with the proposed restructure of the railways line) and the little coffee shop near the station, and the space within Santucci's and FigJam. Artists are welcome to approach businesses which interest them and see if the proprietor would be willing to let them paint from within the premises or do portraiture of the proprietors. These are just a few suggestions.

Administration Rotary Club of Caulfield Inc will handle the administration on the day operating from the Foyer of the Carnegie Community Centre, where the Library is located. The Rotarians are again willing to site sit so that artists can take breaks without having to pack up their site.

Facilitator Pam Andrews

Exhibition Glen Eira Gallery Annexe, 1 to 14 December. A maximum of 20 works may be exhibited.

GEAS has obtained the support of the Carnegie Traders' Association for this

event and a City of Glen Eira Footpath Occupancy Permit to cover all artists working on Council footpaths for this event. More information to follow, including the Application Form, but this year members may submit two works for selection.

End of year function This will be held immediately following de-installation of the Cityscape Exhibition. It will be at the home of President Sara Longwood in Carnegie and all members are invited. Please bring a plate to share. More details to follow.

Curriculum

Weeks 1 and 2

Tutor-Pam Andrews

Working from the model we will be rendering the model considering her planes and volumes and then experimenting with indirect painting techniques (ie transparent glazing) to build up skin colouring within the narrative and composition of the model's story.

Week 3

Using direct painting techniques (impasto) to extend our options when mixing and using flesh tones.

Weeks 4 and 5

Working outdoors in the park we will be concentrating on unifying a landscape when working directly from nature. If the weather is intemperate, we will set up a landscape inside the hall.

Weeks 6-10

Still to be decided. Lessons either will be with Pam Andrews of an alternate or a mixture. Peter Roccella is not available except as an Emergency this term. Final arrangements and curriculum will be known within the next two weeks. We have three tutors in consideration.

SHARING YOUR ART NEWS
